

Shawn Birring

236-380-2753 | sbirring4@my.bcit.ca | github.com/shawnbirring | linkedin.com/in/shawnbirring

Technical Skills

- Languages: Java, JavaScript, C
- Tools: AJAX, HTML5, CSS, Node.js, Firebase, jQuery, Bootstrap, Unix/Linux
- Database: Firestore, MySQL
- Workflow: Git/GitHub, Agile Development

Projects

ONI | Web Application | September 2022 – December 2022

- Developed a web application with a group of 3 that allowed users to click on a body diagram to find exercises or stretches
- Improved the application by implementing user-centered design principles, which included user testing, prototyping, and incorporating feedback from users
- Utilized HTML5, CSS, JavaScript, jQuery, Bootstrap, Firebase, and GitHub

Education

Computer Systems Technology | BCIT | September 2022 – (April 2024)

Experience

Taekwondo Instructor | Kick It Martial Arts | January 2018 – Present

- Instructed taekwondo classes to students of all ages and skill levels
- Assisted customers with payments, scheduling and any other concerns related to classes
- Developed and implemented drills that matched students learning styles

Timekeeper | Surrey Minor Ball Hockey Association | 2018 – 2021 (Seasonal)

- Kept accurate records of games and scores for officials and league reports
- Ensured that games were being run in line with league rules and standards
- Demonstrated strong attention to detail and time management skills to ensure smooth game performance

Peer Tutor | Queen Elizabeth Secondary | January 2022 – June 2022

- Helped students understand complex concepts and develop problem-solving skills
- Collaborated with students and teachers to help develop effective learning strategies to help support the academic progress of students
- Implemented innovative teaching methods and resources to enhance student learning and engagement
